WESTLAKE ACADEMY

2024 Charter FIRST Annual Financial Management Report Reviewing Data for the Year Ended August 31, 2023

INTRODUCTION

FIRST is the acronym for **F**inancial **I**ntegrity **R**ating **S**ystem of **T**exas, as developed for the Texas school districts by the Texas Education Agency in response to Senate Bill 875 of the 76th Legislature in 1999. The primary goal of the rating is to achieve quality performance in the management of school district's financial resources. Open-enrollment charter schools were included in this rating system in 2009.

FINANCIAL ACCOUNTIBILITY RATINGS

Under the FIRST system, the Texas Education Agency (TEA) assigns each school district and open-enrollment charter school a financial accountability rating based on a district's overall performance on certain financial measurements, ratios, and other indicators established by the Commissioner of Education.

Preliminary ratings are released by the Texas Education Agency every calendar year during the summer. The Commissioner's Rules for Charter FIRST are contained in Title 19, Texas Administrative Code, Chapter 109, Subchapter AA, Commissioner's Rules Concerning Financial Accountability Rating System. There were changes in the Commissioner's Rule for Charter FIRST that were finalized in August 2018. The most substantive changes in August 2018 will be implemented by the Texas Education Agency beginning with ratings year 2020-2021 based primarily on data from fiscal year 2020. During the phase-in period, the new Charter FIRST system has separate worksheets for rating years 2017-2018 through 2020-2021 as compared to subsequent years.

Going forward, the Commissioner of Education will evaluate the rating system every three years and may modify the system to improve its effectiveness. Any changes made to the rating system are communicated to school districts/openenrollment charter schools by TEA along with the effective dates of the changes.

REPORTING REQUIREMENTS

Reporting the FIRST rating to the public is a key component of the system. Under FIRST, each school district/openenrollment charter school is required to prepare and make available an annual financial management report that includes the following:

- → The district's financial management performance rating provided by the Texas Education Agency (TEA) based on its comparison with indicators established by the Commissioner of Education for the state's new Financial Accountability System.
- ★ The district's financial management performance under each indicator for the current and previous years' financial accountability ratings; and
- **→** Additional information required by the Commissioner of Education.

The financial management report being issued at the Charter FIRST hearing must contain certain required disclosures, in accordance with Title 19 Texas Administrative Code Chapter 109, Budgeting, Accounting, and Auditing Subchapter AA, Commissioner's Rules Concerning Financial Accountability Rating Systems. Under Chapter 109, the Commissioner required certain disclosures, as follows:

→ A copy of the Head of School's (Superintendent's) current employment contract. The school district/open-enrollment charter school may publish the superintendent's employment contract on the district's internet site in lieu of publication in the annual financial management report. This must disclose all compensation and benefits paid to the superintendent.

- The Head of School's employment contract is located on the Academy's website: https://www.westlakeacademy.org/about-us/financial-transparency/head-of-school-contract.
- ★ A summary schedule for the fiscal year (12-month period) of total reimbursements received by the Head of School (Superintendent) and each board member, including transactions resulting from use of the school district's credit card(s), debit card(s), store-value card(s), and any other instruments to cover expenses incurred by the Head of School (Superintendent) and each board member. The summary schedule shall separately report reimbursements for meals, lodging, transportation, motor fuel, and other items (the summary schedule of total reimbursements is not to include reimbursements for supplies and materials that were purchased for the operation of the district).
- ★ A summary schedule for the fiscal year of the dollar amount of compensation and/or fees received by the superintendent from another school district or any other outside entity in exchange for professional consulting and/or other personal services. The schedule shall separately report the amount received from each entity.
- → A summary schedule for the fiscal year of the total dollar amount by the executive officers and board members of gifts that had an economic value of \$250 or more in the aggregate in the fiscal year Code, Chapter 573, Subchapter B, as a person related to another person within the first degree by consanguinity or affinity) from an outside entity that received payments from the school district in the prior fiscal year, and gifts from competing vendors that were not awarded contracts in the prior fiscal year. This reporting requirement does not apply to reimbursement of travel-related expenses by an outside entity when the purpose of the travel is to investigate or explore matters directly related to the duties of an executive officer or board member duties, or matters related to attendance at education-related conferences and seminars whose primary purpose is to provide continuing education (this exclusion does not apply to trips for entertainment related purposes or pleasure trips). This reporting requirement excludes an individual gift or a series of gifts from a single outside entity that had an aggregate economic value of less than \$250 per executive officer or board member.
- ★ A summary schedule for the fiscal year of the dollar amount by board members for the aggregate amount of business transactions with the district. This reporting requirement is not to duplicate the items disclosed in the summary schedule of reimbursements received by board members.
- ★ A public hearing must be held on the annual financial management report to afford interested parties the opportunity to comment on the report. The public hearing must be held within two months after receipt of the final financial accountability rating. The official notification from TEA was dated November 8, 2024.

The 2024 Charter FIRST rating was based on an analysis of financial data submitted to the Texas Education Agency for the 2022-2023 fiscal year. Twenty-one indicators were evaluated to determine the overall rating (please note that indicators 10 and 16 were not rated for this time period).

<u>Westlake Academy received a Substandard Achievement Rating for FY 2024 (FY23 data).</u> The rating worksheet detailing the Academy's performance on each of the indicators as well as the explanations/calculations of the indicators is reflected on the remaining pages of this report. Information on the FIRST rating can be found on TEA's website at https://tea.texas.gov/finance-and-grants/financial-accountability/financial-integrity-rating-system-of-texas.

	FINAL RATING			standard evement

- Although the Academy received an unmodified opinion on the FY23 annual audit, it was presented and approved by
 the Board of Trustees on August 5, 2024. The Annual Financial Report (AFR) was due to the Texas Education Agency
 (TEA) on January 28, 2024. This was a failure of critical indicator #1.
- Per Texas Education Code (TEC) §44.008, the Academy is required to submit the AFR to TEA no later than 150 days
 after the close of the fiscal year. This timeframe was not met due to the impact of the Finance & Human Resources
 system conversion implemented near the end of the fiscal year, which subsequently created delays in the performance
 of the annual audit. TEC §44.008 does not provide for extensions to the due date for any reason.
- Per BrooksWatson & Co., PLLC, the Academy's external auditors, "The Academy should work to meet the TEA compliance requirements and submit within the time period after year end in the future." (AFR Management Letter, July 31, 2024).

For FY 2024:

- Effective July 1, 2023, the Academy moved to a June 30th fiscal year end (July 2023-June 2024 for 10-month transition year). The annual audit for fiscal year ending June 30, 2024 was completed by BrooksWatson & Co, PLLC and the AFR was approved by the Board of Trustees on November 11, 2024 (Res 24-40).
- TEA deadline for submitting the FY24 AFR: November 27, 2024. FY24 AFR submitted to TEA: November 15, 2024.

FIRST RATING CRITERIA

Did the charter school fail any of the critical indicators 1, 2, 3, 4, or 5 (parts 1 and 2)? If so, the charter school's rating is **F** = **Substandard Achievement** rating regardless of total points earned.

Critical Indicator #1 failed

Cittical indicator #1 failed				
Determine the rating by the applicable number of points. Points				
A = Superior Achievement	90-100			
B = Above Standard Achievement	80-89			
C = Meets Standard Achievement	0-69			

(The charter school receives an F if it scores below the minimum passing score, if it failed any critical indicator 1, 2, 3, 4, or 5, in the AFR or the data were not both complete, or if either the AFR or the data were not submitted on time for FIRST analysis.)

Ceiling Indicators

Did the charter school meet the criteria for any of the following **ceiling indicators** 4, 5, 6, 17, 18, or 21? If so, the charter school's applicable maximum points and rating are disclosed below.

Determination of rating based on meeting ceiling criteria.	Maximum Points	Maximum Rating
Indicator 4 (Timely Payments): Was the charter school issued a warrant hold?	95	A = Superior Achievement
Indicator 5 (Total Net Assets): Negative total net assets and pass indicator based only on 7% or more increase in students in membership over 5 years	79	C = Meets Standard Achievement
Indicator 6 (Average Change in Total Net Assets): Response to indicator is <i>No.</i>	89	B = Above Standard Achievement
Indicator 17 (PEIMS to AFR): Response to indicator is No.	89	B = Above Standard Achievement
Indicator 18 (Material Weaknesses): Response to indicator is <i>No</i> .	79	C = Meets Standard Achievement
Indicator 21 (Adjusted repayment schedule for overallocated FSP funds): Response to indicator is <i>No.</i>	70	C = Meets Standard Achievement

If the charter school's overall points earned is less than the maximum points allowed by the applicable ceiling indicator, the charter school will receive a rating based on the lesser points earned. If the charter school fails a critical indicator or the charter school's total number of points is equal to or less than 69 points, the charter school will receive an **F** = **Substandard Achievement** rating, regardless of any ceiling indicator criteria met.

PEIMS: Public Education Information Management System, a state-wide data management system for public education information in the State of Texas. One of the basic goals of PEIMS, as adopted by the State Board of Education in 1986, is to improve education practices of local schools. WADA: Weighted Average Daily Attendance (WADA) is used to measure the extent students are participating in special programs. The greater the number of students eligible for special entitlements, the greater a school's WADA will be.
