SECTION 5 APPLICABILITY OF EXISTING REGULATIONS

Section 5.1 Applicable Town Ordinances Except to the extent provided by the PD Concept Plan, this PD Ordinance and the PD Supplement, development within the PD District shall be governed by the following UDC standards:

- A. With respect to the retail sub-area, by the "R-Retail" zoning district standards;
- B. With respect to the office sub-area, by the "O-Office Park" zoning district standards; and
- C. With respect to the office/industrial sub-area, by the "O-I Office/Industrial Park" zoning district standards.

Except to the extent provided by the PD Concept Plan, this PD Ordinance, and the PD Supplement, development within the PD District shall also be governed by the Applicable Town Ordinances. In the event of any conflict between (i) the PD Concept Plan, this PD Ordinance and the PD Supplement and (ii) the Applicable Town Ordinances, the terms, provisions and intent of the PD Concept Plan, this PD Ordinance and the PD Supplement shall control. Except as provided below, in the event of any conflict between the UDC and the Applicable Town Ordinances, the terms, provisions and intent of the UDC shall control.

Section 5.2 General Approval Criteria To the extent, if any, that the Applicable Town Ordinances (and, in particular, the subdivision regulations of the UDC) grant to the Board, the Commission, the Town Planner, or any other Town employee or consultant, the authority to approve any aspect of development within the PD District (including, but not limited to, preliminary or final plats or any aspect thereof or any agreements or permits related thereto) based on conformity with the Town's Comprehensive Plan, Open Space Plan or Thoroughfare Plan (or with the objectives, goals or policies of such plans), then such authority shall be exercised to the extent necessary to determine whether the aspect of development being approved is consistent with the PD Concept Plan, this PD Ordinance, the PD Supplement and the objectives, goals, and policies of such plan, ordinance and supplement.

SECTION 6 CONCEPT PLAN, DEVELOPMENT PLANS, AND SITE PLANS.

Section 6.1 PD Concept Plan The PD Concept Plan attached to this PD Ordinance consists of drawings generally labeled as follows: (1) "PD Concept Plan - Planning Area"; (2) "PD Concept Plan - Land Uses"; (3) "PD Concept Plan - Open Space & Trail System"; and (4) "PD Concept Plan - Thoroughfares". Except as otherwise provided by this PD Ordinance or the PD Supplement, each of these drawings is a part of this PD Ordinance, and all graphic depictions contained on such drawings are considered "regulatory" standards.

- A. **PD Concept Plan - Planning Area** The drawing labeled "PD Concept Plan - Planning Area" identifies the general boundaries of the PD District for the "Circle T Planning Area No. 8 - West Commercial". The exact boundaries of the PD District are

shown on the metes and bounds description attached hereto as Exhibit 1. Any information shown on this drawing that is outside the boundaries of the PD District is not considered part of the PD Concept Plan or this PD Ordinance and does not bind or otherwise affect development within the PD District.

B. PD Concept Plan - Land Uses The drawing labeled "PD Concept Plan - Land Uses" identifies the general categories of land uses that are permitted within the PD District sub-areas. This drawing also includes an estimate of the size of such sub-areas. For non-residential sub-areas, the drawings indicate the applicable floor area ratios and an estimate of total floor area. The estimates of total floor area, however, are provided for informational purposes only and are not "regulatory" standards, and to the extent, if any, that the actual total floor areas differ from the estimates, such differences shall not require an amendment to the PD Concept Plan. For single family sub-areas, the drawings also identify minimum lot sizes. These drawings also identify open space areas; however, such open space areas are more specifically discussed in Subsection C below. Any information shown on these drawings that is outside the boundaries of the PD District is not considered part of the PD Concept Plan or this PD Ordinance and does not bind or otherwise affect development within the PD District. To the extent, if any, that the drawings illustrate the detailed layout of golf course features (such as tee boxes, fairways, and greens) or detailed building "footprints", such detailed illustrations are not considered part of the PD Concept Plan or this PD Ordinance and do not bind or otherwise affect development within the PD District.

C. PD Concept Plan - Open Space & Trail System The drawing labeled "PD Concept Plan - Open Space & Trail System" identifies public open space, private open space, and public and private golf (together with an estimate of the size of such areas). This drawing also identifies the general location of public hike and bike trails and public equestrian trails (which locations are not to scale). Any information shown on these drawings that is outside the boundaries of the PD District is not considered part of the PD Concept Plan or this PD Ordinance and does not bind or otherwise affect development within the PD District.

D. PD Concept Plan - Thoroughfares The drawing labeled "PD Concept Plan - Thoroughfares" identifies major thoroughfares proposed for both development alternatives within the PD District.

Section 6.2 PD Development Plans Because of the level of detail contained in the PD Concept Plan, the Board (at the time this PD District was established) waived the requirement for development plans. Based on such development plans shall not be required within this PD District.

Section 6.3 PD Site Plans PD site plans are required for development within the PD District. Article I, Section 3.4, of the PD Supplement governs the process by which PD site plans are submitted and approved (including, but not limited to, the submittal requirements, approval criteria, and conditions).

Section 6.4 PD "Informational" Plans There are also attached to this PD Ordinance for informational purposes only: (1) a drawing labeled "Circle T Ranch - Planning Areas" which illustrates the general boundaries of all Circle T Planning Areas; (2) a drawing labeled "Circle T Ranch - Land Uses" which illustrates the general land use categories for all Circle T Planning Areas; (3) a drawing labeled "Circle T Ranch - Open Space & Trail System" which illustrates the open space and trail system for all Circle T Planning Areas; and (4) a drawing labeled "Circle T Ranch - Thoroughfares" which illustrates the thoroughfares for all Circle T Planning Areas. These "informational" drawings are not part of the PD Concept Plan or this PD Ordinance, and nothing contained on any of these drawings shall bind or otherwise affect the development of this PD District.

ARTICLE II. USES

SECTION 1 LAND USE SCHEDULE

Buildings, structures, and land within the sub-areas identified on the PD Concept Plan shall be used only in accordance with the uses permitted in the following "Land Use Schedule". The symbol "X" shall mean that the use is permitted as a principal use by right. The symbol "S" shall mean that the principal use is permitted only after first obtaining a "Specific Use Permit" as set forth in the UDC. The symbol "A" shall mean that this use is specifically permitted as an accessory use to a main use (this does not exclude other land uses which are generally considered accessory to the primary use). A blank square shall mean that the use is not allowed as a principal use.
